**RE: CC Docket No. 02-6
Request for Waiver of 47 C.F.R.**

Pocatello School District 25 (Billed Entity Number 142574) hereby requests a waiver of the Funding Year 2018 FCC Form 471 filing window (47 C.F.R. § 54.507) for the application listed below.

The Federal Communications Commission has found that schools and libraries that filed their applications within 14 days of the submission deadline will be granted a waiver of the deadline.¹ In our case, we submitted their FCC Forms 471 within the 14-day period after the close of the filing window on March 22, 2018.

We ask that the Commission waive the filing deadline for the application listed below and direct the Schools and Libraries Division of the Universal Service Administrative Company to process this application as “submitted within the window.”

Respectfully,

Joel Burkman
Technology Coordinator

¹ See, e.g., *Requests for Waiver and Review of Decisions of the Universal Service Administrator by Academy of Math and Science et al.; Schools and Libraries Universal Service Support Mechanism*, CC Docket No. 02-6, Order, 25 FCC Rcd 9256, 9259, para. 8 (2010) (*Academy of Math and Science Order*) (finding special circumstances exist to justify granting waiver requests where, for example, petitioners filed their FCC Forms 471 within 14 days after the FCC Form 471 filing window deadline). Because each applicant filed within 14 days of the deadline, the Commission does not require a reason for the late filing, but please let me know if you need additional information.
